SUBJECT: ESTONIA: NO RESPONSE TO UNGA COMMITTEE
RESOLUTION ON DE-ALERTING OF NUCLEAR FORCES

REF: STATE 140048

(SBU) On October 10, Polecoff delivered reftel points to Veikko Kala, Attache, in the MFA's International Organizations and Regional Cooperation Division. Kala said he was unable to offer a response to the U.S. points at the moment, but would deliver the message to the First Committee members representing Estonia in New York. Kala commented that there is likely to be a discussion between the EU's non-nuclear and nuclear states concerning this resolution. At the same time, Kala gave assurances that the Government of Estonia (GOE) will take into account U.S. concerns related to this matter.
